

Nephi Recreation Newsletter November 2019

Message from the Manager:

As we approach this Thanksgiving season, Nephi Recreation would like to express our gratitude and appreciation to those who have helped both TJ and I transition into our new positions here. We want to thank each and every one of you that participated in our sports and activities. We would like to especially thank you parents who have shown and continue to show so much devotion to your children and the activities they participate in. Also, a huge shout out goes to those parents who have sacrificed their time to help us teach and coach these children. Thank you, to our part time staff for your continuing to help to make these leagues run smoothly. Lastly, we wish to thank the rest of the Nephi City Staff and the Juab School District who have helped us to keep these programs running. Thank you very much for your contributions, these sacrifices do not go unappreciated.

As we are bringing the Fall sports to an end, we are getting geared up and ready for the Winter activities. Registration for the 5th-8th grade basketball has passed, but if you need to register a child we are able to take a few late registrations. To register late, you will need to contact us by phone or email. 1st-4th grade registration is still available online. We will be taking registrations via online up until December 22, 2019. Those leagues will be starting in January and will be 8 weeks long. Also, we have decided to bring back men's adult basketball. In doing so, we have experienced great success. With 9 teams, they will play on Mondays starting in December. In addition, women's adult basketball sign ups are still available until December 29, 2019. Women's basketball will be played on Tuesday nights, starting January 7, 2020.

Indoor soccer is now open for registration. Age groups for the various leagues include: girls 4th-5th grade, girls 6th-8th grade, boys 5th-8th grade, and coed 3rd-4th grade. These games will be played on Saturdays starting in January at the middle school and West Campus schools.

Once again, I want to personally thank you for your continued support of the recreation department, and for our entire community.

THANKS,

M. Craig Oswald
Nephi Recreation Manager

In an effort to strengthen community outreach, while helping families who need a little extra holiday cheer this season, Juab County Sheriff's Office, Nephi City Police, Utah Highway Patrol and Utah State Parks have come together to form Juab County's first annual Shop with a Cop.

Applicants can pick up an application at the Juab County Sheriff's Office, Nephi Police Department or at www.juabsheriff.org. Applications are due on or before November 29th.

The applications will be reviewed, and families will be selected based on needs and funding availability. Once selections are made, children will be assigned to an officer and will have breakfast with him or her. After breakfast, the children will get a chance to see inside our vehicles and operate the lights and siren. We will then ask the parents of the participating children to transport them to Walmart in Payson where each child and their "Partner for the Day" will shop for their family. For those families who cannot or do not have means to transport their child, they will be given the opportunity to ride with an officer to Walmart. The date for Shop with a Cop will be on Saturday, December 14th, 2019.

If you are interested in donating, you can drop off your donation to the Juab County Sheriff's Office or mail it to the address listed below. Please make checks payable to Juab County Sheriff. Thanks!
